

Flying Start

From January 2014 we will be providers for Flying Start in the area for two to three year olds for 12.5 hours per week for 39 weeks per year.

The main objective of Flying Start will be to improve your child's outcomes in the Early Years.

We will be providing activities such as Language and Play

Tatty Bumpkin

Story Sacks

Family Fun Days

and much more to add to our already fun filled days here at the nursery.

If you think you are eligible for the scheme you will need to

live within an identified Flying Start area

have a child who is between two and three years of age

be referred by your Health Visitor.

By becoming providers our staff will become once again highly trained in specific areas to co-incide with the scheme. The training they will receive will make them skilled in their field thus benefiting you child in the nursery.
